Arriving by car

From the M62/M621 [junction 3] or M1/M621 [junction 4], follow the signs for the City Centre, Harrogate A61.

Stay on the A61, past the bus station situated on the left and West Yorkshire Playhouse on the right. Off the A61 at Byron Street turn left and then left again onto North Street. Network is situated on the left hand side, between Melbourne Street and Lower Brunswick Street.

Parking

We recommend Trafalgar Street Car Park, which is minutes from our office and offers a very reasonable daily rate. Alternatively, for shorter stays, there is metered on-street parking on both North Street and Lower Brunswick Street.

Arriving by rail

North Street is approximately 20 minutes walk from the railway station. Taxis are available in the station forecourt, or there are several buses which pass the office.
